Kinetico Signature Series 935
Non-Electric High Performance
Water Conditioning System

- Conditioned Water 24 Hours a Day, Every Day
- Simple, Reliable and Economical Operation
- Twin Tank Design
- Certified Performance
- Installation and Service by Trained Water Treatment Professionals
What Makes The Kinetico Signature Series S935 Different?

1. **Non-Electric Operation.** Reliable. No timers or computers to set, adjust, repair or replace.

2. **Metered, Demand Service.** Unlimited supply of clean, soft water. Eliminates guesswork, water and salt waste and hard water breakthrough.

3. **Twin Tank System.** Unlimited supply of clean, conditioned water. Enables system to regenerate with clean, conditioned water.

4. **Overdrive Enhanced.** All tanks are in service simultaneously. Increases performance, efficiency, flow rate and media life.

5. **High Flow Rate.** System keeps up with the conditioned water needs of today’s demanding households.

6. **Large Porting Size.** Perfectly suited for larger plumbing found in many homes. Up to 1 1/2 inch plumbing.

9. **Efficient Use of Water and Salt.** Low water consumption. Less money spent on salt.

10. **Corrosion-Resistant Valve and Tanks.** Long lasting. Can endure harsh environments.

11. **Soft Water, Countercurrent Regeneration.** Increases product efficiency and water quality.

12. **Automatic Operation.** Just add salt.

13. **Outstanding Warranty.** Dependability, peace of mind.
